Please allow up to 14 business days for this form to be processed. Proposed work must not begin until this form has been reviewed and approved by both the State Historic Preservation Office and the Nevada Indian Commission. In some cases, coordination with State Lands is also necessary. Per NRS 321.003, a state agency must also submit a Certification Request to the Nevada Division of State Lands before constructing a building or making other permanent improvements to state lands. This includes ground disturbance for site work and utilities. If your project requires a State

Hello,

This is Jon Vietti I am requesting permission to have new flooring installed and painting done at building #13 at the Stewart complex. We are looking at doing the recreation room and all the hallways. We also are looking at doing an option that would include carpeting and painting of all the rooms as well, if time and money is permissible. ~~In the current laundry room the fire riser is an open room and we would like to build a small closet around it to keep it safe from being tampered with.~~ In room 103 we would like to install vinyl on for flooring. I have provided picture of what is existing and samples of what they would to put in. Let me know if you have any questions Jon Vietti (775)690-8213
