Please allow up to 14 business days for this form to be processed. Proposed work must not begin until this form has been reviewed and approved by both the State Historic Preservation Office and the Nevada Indian Commission. In some cases, coordination with State Lands is also necessary. Per NRS 321.003, a state agency must also submit a Certification Request to the Nevada Division of State Lands before constructing a building or making other permanent improvements to state lands. This includes ground disturbance for site work and utilities. If your project requires a State

**Description of Proposed Work:**

Please provide a thorough written description of the proposed work, including-

- Location on building
- Approximate size of area affected
- Existing conditions
- Materials to be used
- Proposed methods (must follow the Secretary of the Interior's Standards)

(Use as many pages as needed)

Dept. of Corrections needs power in adjacent room from outlet, we would cut a hole in the wall and add outlet in the other room.

Thanks

Hi Sherry,

Here's the form for Building 17 with our signature.

State Lands doesn't need to sign it, so once you've signed it and sent it back, we'll update our website and let Ron know he can proceed.

Thanks, and happy Friday!
