1) No known archaeological work in project area; however, 2) as long as work is within the prism of existing ground disturbance caused by the original sewer installation, we have no concerns. 3) if work exceeds the existing ground disturbance, the SHPO recommends that an SOI-qualified archaeologist monitor the work & stop work if a discovery occurs.

Description of Proposed Work: Please provide a thorough written description of the proposed work, including-

- Location on building
- Approximate size of area affected
- Existing conditions
- Materials to be used
- Proposed methods (must follow the Secretary of the Interior's Standards)

(Use as many pages as needed)

we would like to replace a 10' area of existing sewer line that clogs due to roots, with new line. we will use excavator & hand dig.
