Re: **Support for Eureka Restoration Enterprise – Charles Lautenschlager Building Restoration Project**

Dear Ms. Damele,

We are pleased to inform you Nevada Gold Mine's Social Investment Committee has agreed to pledge \$20,000.00 towards the restoration of the Charles Lautenschlager Building Restoration Project.

This pledge of \$20,000 is contingent upon confirmation that the 2020 grant application to the State Historic Preservation Office has been awarded to this project. If this cannot be confirmed by the September 30, 2020 deadline, the \$20,000 pledge from Nevada Gold Mines will be withdrawn and a new request will be required for consideration of funding.

Nevada Gold Mines supports Nevada communities, both in the rural and urban areas of the state, through social investments, charitable contributions, the commitment of in-kind materials and services and our employees' volunteer efforts. We are happy to see that your organization also sees value in serving our rural Nevada communities.

Should you have any questions or need further information, please feel free to contact me at (775) 748-1052 or MSchultz@NevadaGoldMines.com.

Kind Regards,

Melissa Schultz
