

**PROGRAMMATIC AGREEMENT  
AMONG  
THE U.S. GENERAL SERVICES ADMINISTRATION, PACIFIC RIM REGION,  
THE STATE HISTORIC PRESERVATION OFFICERS OF  
ARIZONA, CALIFORNIA, HAWAII, NEVADA, GUAM, AMERICAN SAMOA,  
AND THE COMMONWEALTH OF THE NORTHERN MARIANA ISLANDS,  
AND  
THE ADVISORY COUNCIL ON HISTORIC PRESERVATION  
REGARDING  
THE PRESERVATION, MAINTENANCE, REHABILITATION,  
AND USE OF HISTORIC PROPERTIES  
AND CONSIDERATION OF HISTORIC PROPERTIES  
IN PLANNING ACTIVITIES**

**WHEREAS**, the U.S. General Services Administration’s Pacific Rim Region (“GSA”) has jurisdiction, custody and control over and manages, leases or disposes of properties in four western states and three Pacific territories, including properties listed in, or eligible for inclusion in, the National Register of Historic Places (“NRHP”), and properties not yet eligible, but potentially eligible, for future inclusion in the NRHP (collectively, “historic properties”); and

**WHEREAS**, GSA continues to maintain an inventory of properties under its jurisdiction, custody or control, or properties in which GSA has leased space, and has determined which of these properties are listed in, eligible for inclusion in or potentially eligible for the NRHP; and

**WHEREAS**, GSA is in the process of completing NRHP eligibility studies on all properties over 50 years old and potentially eligible properties with historic significance, and will comply with Sections 106 and 110 of the National Historic Preservation Act of 1966, as amended (54 U.S.C. §306108 and 54 U.S.C. § 306110, (“NHPA”)), in the nomination of eligible properties for inclusion in the NRHP; and

**WHEREAS**, GSA continues to maintain and produce Historic Structure Reports (each, an “HSR”), in accordance with National Park Service Preservation Brief 43, for properties listed in Appendix I that identify character-defining materials, spaces and features, detail preservation treatments and provide contract specifications for routine maintenance, rehabilitation and repair and alteration projects that may be performed therein; and

**WHEREAS**, GSA determined that its program of preservation, maintenance, rehabilitation, and use of historic properties under its jurisdiction, custody or control (“preservation and rehabilitation program”), its program of constructing new space for customer agencies (“construction program”), its program of leasing existing space for customer agencies (“leasing program”), its program of disposing of surplus government property (“disposal program”), and the process by which individual projects carried out pursuant to these programs are approved and funded by GSA, GSA’s Central Office and by the legislative process of the Government of the United States (“approval process”) may affect historic properties; and

**WHEREAS**, GSA consulted with the State Historic Preservation Officers of Arizona, California, Hawaii, Nevada, Guam, American Samoa, and Commonwealth of the Northern

Mariana Islands (collectively, the “SHPOs” and each, individually, a “SHPO”) who are Signatories (“Signatories”) to this Programmatic Agreement (“PA”) and the Advisory Council on Historic Preservation (“ACHP”), also a Signatory, pursuant to Section 800.14 of ACHP’s regulations (“Protection of Historic Properties,” 36 C.F.R. Part 800), implementing Section 106 of the NHPA (“Section 106”); and

**WHEREAS**, GSA consulted with the SHPOs and ACHP concerning its responsibilities pursuant to Section 110 of the NHPA (“Section 110”), including public participation, identification, evaluation, management, maintenance, registration, and protection of properties of historic, archaeological, architectural, engineering, or cultural significance, and has considered the Secretary of the Interior’s recommendations for carrying out its responsibilities pursuant to the NHPA, published jointly by the Secretary of the Interior and ACHP as “The Section 110 Guidelines: Annotated Guidelines for Federal Agency Responsibilities under Section 110 of the National Historic Preservation Act;” and

**WHEREAS**, the Arizona, California, Hawaii, Nevada, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands SHPOs are authorized to enter into this PA to fulfill their role of advising and assisting federal agencies in carrying out their Section 106 responsibilities under the following federal statutes and regulations: Section 101 of the NHPA, as amended, 54 U.S.C. §§ 302101-302108, and Section 106, and 36 C.F.R. part 800, the implementing regulations for Section 106, specifically at subsections 800.2(c)(1)(i) and 800.6(b); and

**WHEREAS**, GSA has determined that its management of the preservation and rehabilitation program, the construction program, the leasing program, the disposal program, and its approval process may provide an opportunity for the parties to this PA to participate in a meaningful and timely manner to assist GSA in fulfilling its responsibilities to identify, evaluate and take into account the effect of its undertakings on historic properties pursuant to Section 106, as well as providing an opportunity for the SHPOs and ACHP to assist GSA in fulfilling its responsibilities pursuant to Section 110;

**NOW, THEREFORE**, GSA, the SHPOs and ACHP agree that the preservation and rehabilitation program, the construction program, the leasing program, the disposal program, and the approval process will be implemented in accordance with the following stipulations in order that GSA’s Section 106 responsibilities may be initiated or completed in a timely manner and to establish a process to assist GSA in meeting its responsibilities pursuant to Section 110.

## **STIPULATIONS**

GSA shall ensure that the following measures are carried out:

### **I. Properties Covered by this PA**

A. Appendix I: Appendix I, attached hereto and incorporated herein by reference, lists all properties in GSA that are federally owned and under the jurisdiction, custody and control of GSA or where GSA leases space. Said list includes the current name (and, where different, the historic name) of the building; its address or location; its approximate construction date;

whether the building is actually listed in or has been determined eligible for inclusion in the NRHP through SHPO consultation; and an indication, where known, of whether or not the building is included in an historic district (and, where known, whether or not said building is a contributing or non-contributing element to that historic district). This PA is understood to apply to all properties in Appendix I unless otherwise limited herein.

**B. Determination of Eligibility for the NRHP**

1. If any Signatory to this PA requests an evaluation of NRHP eligibility of a property listed in Appendix I, GSA will address that request within 60 days. Further undertakings on that building will be reviewed under the terms of this PA.
2. The GSA Regional Historic Preservation Officer (“RHPO”) will evaluate the properties for eligibility for listing in the NRHP. The GSA RHPO will forward all relevant documents to the appropriate SHPO for evaluation and comment. If the SHPO opinion is not rendered within 45 days of receipt of adequate documentation, GSA will finalize the documents. In the event that GSA and the SHPO cannot agree on the eligibility of a property, GSA will request a Determination of Eligibility from the Keeper of the NRHP in accordance with 36 C.F.R. § 63.2. Documentation of all determinations will be retained by GSA and will be available to the SHPO for review.

**C. Changes to Appendices**

1. Additions: Whenever GSA proposes to acquire a property, GSA will promptly comply with 36 C.F.R. Part 800 with respect to its acquisition. If a property so acquired is determined, in accordance with 36 C.F.R. § 800.4(c) or Stipulation I.B.2 above, to be eligible for inclusion in the NRHP, GSA will consult with the SHPO for the state in which the property is located to determine whether the terms of this PA will apply to the management of the property. If GSA and that SHPO agree to the applicability of the terms of this PA to the management of the property, GSA will provide to the SHPOs and ACHP a revised Appendix I reflecting this change in the Annual Report required by Stipulation XI.
2. Change in Status: Should GSA determine, in accordance with 36 C.F.R. § 800.4(c) or Stipulation I.B.2 above, that the NRHP-eligible status of a property included in Appendix I has changed and the property is determined to be ineligible for the NRHP, then the terms of this PA will no longer apply to such building. GSA will promptly notify the appropriate SHPO and ACHP of such a finding and submit to the SHPOs and ACHP a revised Appendix I reflecting the change in the Annual Report. The Signatories to this PA acknowledge that the passage of time or changing perceptions of significance may justify reevaluation of properties that were previously determined to be eligible or ineligible, particularly those properties that were determined to be ineligible due, in part, to their age. GSA will also reevaluate properties in accordance with 36 C.F.R. § 800.4(c) if requested to do so by the appropriate SHPO in whose state the property exists, ACHP or the Keeper of the NRHP.

3. Changes to Appendices I and II: GSA will review Appendix I annually to determine if there are any changes pursuant to Stipulation I.C.1 or I.C.2, above. GSA will highlight any changes to the status of a property, or a change to Appendix II in the Annual Report. Changes to appendices do not require changes or other amendments to this PA, unless otherwise appropriate under Stipulation XIV.

4. Changes to Appendices III, IV and V: Changes to any other appendices III, IV and V will be addressed in accordance with Stipulation XIV.

D. Disposal of Federal Properties: When GSA receives a Report of Excess from another federal agency regarding a property handled through GSA's disposal program, GSA will determine, in accordance with 36 C.F.R. § 800.4(c), if the property is eligible for inclusion in the NRHP. If the property is determined eligible for the NRHP, any proposed work for which GSA may be responsible will be handled in accordance with the terms of this PA. This PA refers only to disposal of properties in GSA's Pacific Rim Region.

## **II. Historic Preservation Staff**

A. Professional Qualifications: GSA will employ an RHPO and historic preservation specialists (collectively, the "historic preservation staff") who meet one or more of the professional qualifications standards enumerated within the Secretary of the Interior's Professional Qualifications Standards (48 FR 44738-9, September 29, 1983, as they may be amended). GSA shall ensure that the work of the historic preservation staff will be carried out under the direct or indirect supervision of the RHPO, or his or her qualified designee. Where the required professional experience is not available within the historic preservation staff, GSA will contract with additional, similarly qualified specialists whose services will be provided to the historic preservation staff under the direction of the RHPO.

B. Compliance Responsibility: GSA will assign to the RHPO the responsibility and authority to administer and manage its fulfillment of the terms of this PA.

C. Review by Historic Preservation Staff: GSA shall ensure that its historic preservation staff reviews and approves all routine maintenance, rehabilitation, repair, and alteration undertakings planned for any historic property in order to determine if the undertakings qualify as exempted activities per this PA. Qualified historic preservation staff will also review archaeology for any site subject to new construction or effects within close proximity to cultural or historic resources. Historic preservation staff review will be undertaken at the earliest stages in planning, and may extend through the life of the undertaking.

## **III. General Standards for Maintenance and Rehabilitation Undertakings**

A. Secretary of the Interior's Standards (36 C.F.R. Part 68): GSA shall ensure that historic properties included in Appendix I will be maintained and rehabilitated in accordance with the recommended approaches set forth in the Secretary of the Interior's "Standards for the Treatment of Historic Properties" (the "Secretary's Standards").

B. Development of Historic Structure Reports: GSA shall ensure that the recommended procedures set forth in the HSRs are consistent with the Secretary's Standards outlined in III.A, above.

#### **IV. Undertaking Review for Historic Owned and Leased Properties**

A. Properties excluded from further SHPO review: GSA may carry out undertakings on properties included in Appendix I that have been determined not eligible for inclusion in the NRHP and on properties determined as non-historic without further SHPO review. This includes federally owned and leased properties that have been determined ineligible for inclusion in the NRHP in consultation with the appropriate SHPO and properties that are not yet 50 years old and that do not meet Criterion Consideration G (Class 5 and Class 6).

B. Undertakings excluded from further SHPO review: GSA may carry out undertakings listed in Appendices III and IV without further SHPO review, provided that GSA ensures that such undertakings are reviewed as provided in Stipulation II.B, above, and that they are carried out in a manner consistent with the Secretary's Standards. All lease actions are subject to Executive Order 12072 and Executive Order 13006.

C. Undertakings in historic properties subject to review by the SHPOs: GSA shall submit, in accordance with 36 CFR Part 800, any undertaking that consists of an interior or exterior alteration not otherwise excluded from review pursuant to Stipulations IV.A, IV.B or V.B, to the appropriate SHPO for review.

D. Oversight of undertakings in historic properties: GSA historic preservation staff will provide training for all building management staff, in addition to telephone consultation and site visits, so that undertakings carried out pursuant to this Stipulation comply with the standards for maintenance and rehabilitation listed in Stipulation III, above.

#### **V. Management in Accordance with Accepted HSRs and Building Preservation Plans**

A. The HSRs that GSA has completed to date are listed in Appendix II. GSA shall submit future HSRs to the appropriate SHPO for review when new HSRs are undertaken or existing HSRs are updated. The SHPO's review will be based upon an evaluation of the identification and evaluation of the significant materials, features and areas of the historic properties, their original appearance and present condition, the appropriateness of the Significance Zones (as defined in Appendix V) that have been applied to the interior and exterior of the building, and the specifications enumerated for the preservation or rehabilitation of character-defining features and spaces.

1. The appropriate SHPO shall either respond to GSA with comments on the findings enumerated in the HSR or notify GSA of its acceptance within 45 calendar days of receipt of the HSR.
2. If GSA has not received notification to the contrary from the appropriate SHPO within 45 calendar days of its receipt of an HSR, GSA will finalize the HSR.

GSA will provide to the SHPOs and ACHP a revised Appendix II of the PA as part of the Annual Report required by Stipulation IX to reflect new or revised HSRs that have been reviewed and accepted by the appropriate SHPO. The SHPOs will retain a copy of the HSR for its future reference. GSA will provide updated information to the SHPOs for inclusion in their copy of the HSR as it becomes available. GSA will make the property that is the subject of an HSR available to the appropriate SHPO for an independent site visit by that SHPO.

B. Undertakings consistent with HSR recommendations: GSA shall ensure that maintenance, rehabilitation, and related management activities carried out on or in an historic property included in Appendix II must be in accord with the recommended approaches in that building's HSR and will be reviewed in accordance with Stipulation II.C, above. GSA need not submit such activities for review by the SHPO prior to initiation of said activities.

C. Undertakings inconsistent with the HSR recommendations: GSA shall ensure that maintenance, rehabilitation and related management activities carried out on or in an historic property included in Appendix II that are not in accord with the recommended approaches set forth in that building's HSR will be submitted to the appropriate SHPO in a timely manner for review, unless said undertaking would otherwise be excluded from review pursuant to Stipulation IV, above.

D. Undertakings not delineated in HSR recommendations, but subject to review by SHPOs: GSA shall ensure that any undertaking that consists of an interior or exterior alteration not otherwise excluded from review pursuant to Stipulation IV, above, is submitted in accordance with 36 CFR Part 800 to the appropriate SHPO for review and comment.

E. Undertakings not delineated in HSR recommendations, but excluded from review by SHPOs: GSA may carry out undertakings listed in Appendix III without further SHPO review, provided that GSA ensures that such undertakings are reviewed as provided in Stipulation II.C, above, and are carried out in a manner consistent with the Secretary's Standards.

## **VI. Undertakings Not Covered By This PA**

A. GSA shall consult with the SHPOs when planning for all other undertakings that are not subject to the terms of this PA and have the potential to affect historic properties. Such consultation must include general information about the scope and nature of the project, its potential effect on historic properties and the status of GSA's review of the project pursuant to Section 106.

B. The following undertakings are not covered by this PA. GSA will comply with 36 C.F.R. Part 800 with respect to each of the following undertakings:

1. Undertakings on properties located in the Federated States of Micronesia;
2. Undertakings on tribal lands, or involving property that may be of religious or cultural significance to an Indian Tribe or a Native Hawaiian Organization;

3. Undertakings that call for the construction of new buildings or additions to historic properties included in Appendix I;
4. Undertakings that involve significant ground disturbance, as defined in Appendix III.3.A, archeological investigation or take place on known archaeological sites; and
5. Transfer of federal properties to non-federal entities.

## **VII. Dispute Resolution**

A. SHPO or ACHP objections: If any Signatory to this PA object at any time to any actions proposed or the manner in which the terms of this PA are implemented, GSA shall consult with such party to resolve the objection. If GSA determines that such objection cannot be resolved, GSA will:

Forward all documentation relevant to the dispute, including GSA's proposed resolution, to the ACHP. The ACHP shall provide GSA with its advice on the resolution of the objection within thirty (30) days of receiving adequate documentation. Prior to reaching a final decision on the dispute, GSA shall prepare a written response that takes into account any timely advice or comments regarding the dispute from the ACHP or other Signatories, and provide them with a copy of this written response. GSA will then proceed according to its final decision.

If the ACHP does not provide its advice regarding the dispute within the thirty (30) day time period, GSA may make a final decision on the dispute and proceed accordingly. Prior to reaching such a final decision, GSA shall prepare a written response that takes into account any timely comments regarding the dispute from the Signatories, and provide them and the ACHP with a copy of such written response.

GSA's responsibilities to carry out all other actions subject to the terms of this PA that are not the subject of the dispute remain unchanged.

B. Arbitration: The parties agree to use any non-binding arbitration that is required under applicable state court rules.

C. Public objections: At any time during implementation of the measures stipulated in this PA, should an objection to any such measure or its manner of implementation be raised by a member of the public, GSA will take the objection into account and consult with the objecting party, the appropriate SHPO and ACHP to resolve the objection.

## **VIII. Public Outreach**

GSA must fulfill the requirements of subpart A of 36 C.F.R. part 800, which requires federal agencies to involve consulting parties as described in 36 C.F.R. § 800.2(c) in findings and determinations made during the Section 106 process. GSA will coordinate consultations, as appropriate, with the requirements of other statutes, such as the National Environmental Policy

Act (NEPA), the Native American Graves Protection and Repatriation Act, the American Indian Religious Freedom, the Archeological Resources Protection Act, and agency-specific legislation.

## **IX. Emergencies**

A. Immediate rescue and salvage operations conducted to preserve life or property are exempt from the provisions of this PA.

B. In the event GSA proposes an emergency undertaking following a disaster or emergency declared by the President, a tribal government or the Governor of a State, or another immediate threat to life or property, GSA must notify the appropriate SHPO and THPO, if applicable, and any Indian Tribe or Native Hawaiian organization that may attach religious and cultural significance to historic properties likely to be affected prior to the undertaking and afford them an opportunity to comment within seven days of notification. If GSA determines that circumstances do not permit seven days for comment, the agency official must notify the SHPO and THPO, if applicable, and any appropriate Indian Tribe or Native Hawaiian organization and invite comments within the time available. GSA must take into account any comments received in reaching a decision on how to proceed with the emergency undertaking.

C. These emergency or security procedures apply only to undertakings that will be implemented within 30 days after the disaster or the appropriate authority has formally declared an emergency. GSA may request an extension of the period of applicability from the SHPO and THPO, if applicable, prior to the expiration of the 30 days.

D. Within 30 calendar days following the emergency procedures, GSA will provide the SHPO and THPO, if applicable, and any appropriate Indian Tribe or Native Hawaiian organization with a written report documenting the actions taken to minimize effects, the work's present status and the planned treatment of the property. This action will be included in the annual report developed in accordance with Stipulation XI, below.

E. These emergency procedures or security enhancements will be developed in consultation with the RHPO and designed to minimize harm to the property. They will be reversible, temporary in nature and may be installed for no more than three years. GSA will work in consultation with the appropriate SHPO during the three-year period to establish a proposed schedule for replacement of the temporary improvements with permanent improvements that meet the Secretary's Standards.

## **X. Discoveries**

A. If GSA determines that an undertaking will affect a previously unidentified property that may be eligible for inclusion in the NRHP, or may contribute to a NRHP historic district, or may affect a known historic property in an unanticipated manner, GSA will stop any potentially harmful activities in the vicinity of the discovery, take all reasonable measures to avoid or minimize harm to the property and consult in accordance with Stipulations IV, V and VI, above.

B. If a property discovered pursuant to Stipulation X.A, above, has not been previously included in or determined eligible for the NRHP and provisions for its treatment are not contained in an approved archaeological treatment plan, GSA shall treat the property as eligible for inclusion in the NRHP for purposes of this PA.

## **XI. Annual Reporting**

A. Schedule and content: On or before November 30 of each year, GSA will prepare and provide to the SHPOs and ACHP who are Signatories to this PA, one single combined annual report for the previous fiscal year addressing, at a minimum, the following topics:

1. A general summary of how GSA has implemented this PA during the preceding year;
2. A listing of projects reviewed and carried out in accordance with Stipulation IV, above;
3. A listing of projects reviewed internally and carried out in accordance with Stipulation V, above;
4. A summary of any problems or issues relating to this PA that have arisen in the course of the year;
5. GSA's assessment of the effectiveness of this PA;
6. Any recommendations GSA may have for improving the PA;
7. Up-to-date appendices, reflecting any changes incorporated pursuant to Stipulation I, II or V, above; and
8. A summary of the training provided to GSA staff, including general training and undertaking-specific training provided pursuant to Stipulation IV.D.

B. Public Access: Subject to federal security requirements, GSA will make this annual report available for public inspection, notify potentially interested members of the public of its availability and invite interested members of the public to provide comments to GSA, the SHPOs and ACHP regarding the maintenance and rehabilitation program and the effectiveness of this PA.

C. SHPO and ACHP comments: At the request of the SHPOs or ACHP, GSA will provide access to reasonably available follow-up materials, and will consult with the SHPO and ACHP, as necessary, to answer questions about projects that are carried out pursuant to this PA and that are included in the annual report.

D. At the request of any Signatory to this PA, GSA will meet to address questions or comments that the SHPOs, ACHP or the public may wish to make. Based on this discussion, the Signatories to this PA will determine whether this PA will continue in force, be amended or be terminated.

## **XII. Anti-Deficiency Act**

GSAR9's obligations under this PA are subject to the availability of appropriated funds, and the Stipulations of this PA are subject to the provisions of the Anti-Deficiency Act, 31 USC §1341, as amended. GSA shall make reasonable and good faith efforts to secure the necessary funds to implement this PA in its entirety. If compliance with the Anti-Deficiency Act alters or impairs GSA's ability to implement the Stipulations of this PA, GSA shall consult in accordance with the amendment and termination procedures found at Stipulation XIV of this PA.

## **XIII. Duration**

- A. This PA shall be effective on the date of the signature by the final Signatory.
- B. This PA shall be executed in counterparts, with a separate page for each signatory.
- C. The PA shall remain in effect for a period of 5 years from the date of execution, or before if terminated in accordance with terms of this PA. No later than 12 months prior to expiration of the PA, GSA may initiate consultation to determine if the PA should be allowed to expire or whether it should be amended for an additional term, per Stipulation XIV.

## **XIV. Amendment and Termination**

- A. This PA may be amended if any Signatory requests an amendment and it is agreed to in writing by all Signatories. The amendment shall go into effect on the date of the signature by the final Signatory.
- B. If any Signatory to the PA determines that its terms shall not or cannot be carried out, that party shall immediately consult with the other Signatories to attempt to develop an amendment per Stipulation IX.A.
- C. If within sixty (60) days (or another time period agreed to by all Signatories) an amendment cannot be reached, any Signatory may withdraw from the PA, which will no longer be applicable to that Signatory. After such a withdrawal, all undertakings involving the previous Signatory will be reviewed in accordance with 36 CFR §§ 800.3 through 800.7. These withdrawals do not terminate the PA with regard to the other Signatories. If all SHPOs withdraw from the PA, the PA will be considered to be terminated.
- D. This PA may be terminated, without further consultation, by the execution of a subsequent agreement signed by all Signatories to this PA that explicitly terminates or supersedes its terms.

## **XV. Administrative**

- A. Definitions are listed in Appendix V.
- B. Equal Opportunity/Non-Discrimination: The parties agree to comply with all applicable Federal or state laws relating to equal opportunity and non-discrimination. Notwithstanding the foregoing, each of the above provisions will apply to the United States of America, including GSA, only to the extent consistent with federal law and practice, as such may be

amended from time to time. The obligations under these provisions do not confer or create for any person or group any remedy or right against the United States of America not currently available under the United States Constitution, Title VII of the 1964 Civil Rights Act or any other applicable federal law.

**Execution of this MOA by the GSA and the SHPOs and implementation of its terms evidence that GSA has taken into account the effects of its undertakings on historic properties and afforded the ACHP an opportunity to comment.**

### Appendix III

#### Undertakings excluded from review by the SHPO

GSA may carry out undertakings listed in this Appendix without further SHPO review, provided that GSA ensures that the RHPO reviews such undertakings to ensure that they qualify for the exemption and that GSA, or its contractors, carry them out in a manner consistent with the Secretary's Standards. This appendix may only be revised with the written agreement of ACHP, the SHPOs and GSA without requiring an amendment to the PA. Any proposed revision will be documented in the annual report described in Stipulation XI.

#### 1. Interior work

- A. Maintenance painting (except color changes in Level 1 Preservation Zones or Restoration Zones).
- B. Wood refinishing and restoration using natural, organic or soy gel strippers.
- C. Cleaning and waxing floors.
- D. In-kind repair of floors, walls, ceilings and/or trim. This does not apply to decorative finishes, including murals, glazed paint, gold leaf, or ornamental plaster.
- E. Installation of carpeting, and replacement of non-historic existing carpeting, that does not damage historic flooring material, such as perimeter tack strips except for historic floorings with decorative borders) or non-adhesive carpet tile.
- F. Minor security, communications, or video improvements, or any combination of the foregoing, that are non-visible, are reversible, and do not damage or alter historic finishes, or affect Level 1 Preservation Zones or Restoration Zones, and replacing existing equipment in same locations;
- G. Installation of interior window coverings.
- H. Lighting in non-historic interior areas.
- I. Removal or replacement of building contents including furniture, movable partitions, cabinetry and equipment and any other moveable items which are not character-defining features.
- J. Heating, ventilation and air conditioning, mechanical, plumbing, energy management, electrical, fire life safety, security, telecommunications systems and equipment repairs or replacement which will not alter historic fixtures or finishes or affect Level 1 Preservation Zones or Restoration Zones.

- K. Alterations which effects are confined to Level 3 Rehabilitation Zones or Renovation Zones as defined in HSRs; such alterations may include but not be limited to the installation of a suspended ceiling in a non-decorative office space (so long as it does not alter windows, the fundamental relationship of the window to the wall and/or ceiling or view into or out of the space through the windows).
- L. Removal of pests, such as termites and other insects and rodents, which does not involve drilling into walls and floors, or tenting of entire structure. Installation of pest exclusion devices, such as netting and wires that do not damage historic finishes.
- M. Non-destructive or concealed diagnostic health and safety activities or testing for hazardous materials (e.g., radon, asbestos, lead paint, lead pipes, buried fuel tanks, ACM).
- N. Elevator upgrades, meeting the following requirements:
  - 1) Historic elevator cab finishes and hardware will be retained and restored where they exist;
  - 2) New code-complying hardware and signage shall be compatible materials and design and shall be installed with minimal disruption of historic fabric;
  - 3) GSA may replicate historic elevator cabs in significant public spaces identified as Level 1 Preservation Zones or Restoration Zones. When funding constraints preclude replication of all elevator cabs in a building's Level 1 Preservation Zones or Restoration Zones, GSA may elect selective cab replication, based on relative visibility, significance, and architectural integrity of the elevators and elevator lobbies being upgraded; replication will be based on the original historic designs, when available, and will be consistent with code and other applicable requirements; where code or other requirements prohibit replication, contemporary designs sympathetic with existing building fabric and finishes will be used; and
  - 4) In Level 2 Preservation and Level 3 Rehabilitation Zones and Renovation Zones as defined in HSRs, non-historic elevator cabs may be replaced with contemporary cabs designed to be sympathetic with existing fabric and finishes.
- O. Fire alarm detection/suppression upgrades, meeting the following requirements:
  - 1) New installations will be located on flat undecorated plaster.
  - 2) New alarm pull stations that must be located along a wall with a decorative stone, metal, wood or ceramic surface will be installed on a freestanding pedestal or on the wall without penetrating the historic material.
  - 3) Wiring will be concealed in walls and ceilings when possible.

4) In Level 1 Preservation Zones or Restoration Zones as defined in HSRs, ceilings will not be dropped to conceal detection and suppression systems.

- P. Installation of automated building systems (auto on-off switches, etc.) that replace existing electrical components.
  - Q. Handicap accessibility modifications which effects are confined to Level 2 Preservation and Level 3 Rehabilitation Zones or Renovation Zones as defined in the HSRs, and are incidental to other building system upgrades and do not alter historic design or finishes, other than relocation of system components to wall heights mandated by the Uniform Federal Accessibility Standards (41 CFR Part 101-19.6, Appendix A).
2. Exterior Work

- A. Non-abrasive masonry cleaning, repair, and matching mortar repointing or caulking conducted in accordance with Preservation Briefs #1 and #2.
- B. Repairs to non-historic windows or historic windows using in-kind materials, but not including window replacement.
- C. Repairs to elements of curtain wall assemblies or exterior cladding that is hung on the building structure, usually from floor to floor, and when the color, size, reflectivity, materials and visual patterns are unaltered.
- D. Roof repair, including repair or replacement of flat roofs; or in-kind repair or replacement of historic roofing materials, rafters, fascia, soffits, gutters, downspouts or other roof system components.
- E. Installation of antennas not visible from the public space and not anchored to historic materials, or removal, repairs or in-kind replacement of existing antennas.

3. Grounds Maintenance

- A. Any proposed ground disturbance in soil 1) less than 1 m in horizontal size and less than .5 m deep, or 2) which has been disturbed in the last 50 years prior to the proposed ground disturbance and which is not in a known archaeological site.
- B. Minor plant removal and replacement.
- C. Resurfacing of existing paved surfaces, including in-kind paving repair or replacement.
- D. Grounds maintenance: snow removal; installation of temporary removable barriers; in-kind repair and replacement of existing landscaping elements (e.g., fencing, free standing walls, paving, planters, irrigation systems, lighting elements, signs, flag poles, ramps, steps); and in-kind repairs and replacement,

installation, replacement or minor upgrades of security improvements (e.g., bollards or fencing and associated protective barriers) when in previously disturbed areas.

4. Undertakings not involving significant public spaces or exterior work on buildings less than 50 years old and not significant under NRHP Criterion Consideration G.
5. All undertakings on building(s) greater than fifty (50) years old and determined ineligible through SHPO consultation, unless undertaking involves exterior work in a NRHP eligible or listed historic district.

## Appendix IV

### Lease Actions Excluded from Review by the SHPO

1. Lease extensions, lease renewals, succeeding leases, superseding leases, and changes in square footage, provided associated construction work is limited to work items included in Appendix III.
2. Leases of storage and warehouse space of 2,000 square feet or less;
3. Leases for ware yards of unlimited size;
4. Leases of existing parking spaces;
5. Short-term leases of two years or less;
6. Leases of 15,000 square feet or less of space in existing buildings or where the Government proposes to occupy less than 20% of the existing building;
7. Emergency and disaster leases (*i.e.*, replacement lease due to fire, flood or any other natural disaster that destroyed the existing leased building); and
8. Leasehold condemnations

## Appendix V

### Definitions

In addition to those noted below, this PA utilizes the definitions in 36 C.F.R. § 800.16 (2004) and 36 C.F.R. § 68.2.

**ACHP** - The Advisory Council on Historic Preservation

**NHPA** - the National Historic Preservation Act of 1966, as amended (54 U.S.C. § 300101 *et seq.*)

**BPP** - Building Preservation Plan. The BPP is an internal GSA report that collects and organizes data about GSA's historic properties, also referred to as an HBPP, or Historic Building Preservation Plan.

**Character-defining features** – Those elements or features of a historic building which contribute to its being eligible or listed in the NRHP.

**Consultation** - The process of seeking, discussing and considering the views of other participants and, where feasible, seeking agreement with them regarding matters arising in the Section 106 process. GSA, the SHPO and ACHP, with the concurrence of other interested parties, if applicable, may adjust the timing and extent of consultation, depending upon the urgency of the required action and other factors. The Secretary of the Interior's "Standards and Guidelines for Federal Agency Preservation Programs pursuant to the National Historic Preservation Act" provide further guidance on consultation.

**Consulting Parties** - GSA, SHPOs, ACHP, and any other interested parties invited to participate in the consultation in accordance with 36 C.F.R. § 800.2(c), collectively.

**GSA** – the U.S. General Services Administration, Pacific Rim Region, which includes the States of Arizona, California, Hawaii, and Nevada, and the Territories of Guam, American Samoa and the Commonwealth of the Northern Mariana Islands.

**E.O. 12072** - Executive Order 12072 – Federal Space Management

**E.O. 13006** - Executive Order 13006 – Locating Federal Properties on Historic Properties in our Nation's Central Cities.

**Historic Property** - Cultural resources including buildings, structures, objects, districts, prehistoric and historic archaeological sites listed in or determined eligible for listing in the NRHP.

**HSR** - Historic Structure Report. The HSR is a guide that has specified what aspects of the property are considered historic and fall under the scope of this PA. Alterations to non-historic portions of the interior of the property need to be considered for their potential to affect historic portions.

**Indian Tribe** – Any of the federally recognized Indian Tribal Entities listed in the Federal Register.

**Keeper** – Keeper of the National Register of Historic Places. The Keeper is the individual who has been delegated the authority by the National Park Service to list properties and determine their eligibility for the NRHP.

**Lease Action Definitions** – Terminology used by GSA in its leasing actions, defined below:

**Change in SQFT** – The agency requires an increase or decrease in its square footage in existing leased space.

**Extension** – The existing lease contract contains a supplemental lease agreement that results in the continued occupancy by the government and extends the expiration date of the current lease contract.

**Renewal** – The government exercises an option clause in a lease contract. Renewing the existing lease contract results in continued occupancy by the government and extends the expiration date of the current lease contract.

**Succeeding** – The agency continues to need existing leased space resulting in a new lease for continued occupancy in the same space at the same leased location and will result in a lease for continued occupancy when the prior lease expires.

**Superseding** – The agency continues to need existing lease space that results in a new lease for continued occupancy in the same space at the same leased location and replaces a prior lease before it expires.

**MOA** – Memorandum of Agreement – A document that records the terms and conditions agreed upon to resolve the adverse effects of an undertaking upon historic properties.

**Native Hawaiian Organization** - Any Native Hawaiian organization that attaches religious and cultural significance to historic properties that may be affected by an undertaking.

**NRHP** - National Register of Historic Places. The National Register of Historic Places is the Nation's official list of cultural resources worthy of preservation.

**NRHP Class** - A federal classification system with numbers from 1 – 6 that represents a ranking of a building's architectural or historical significance. The definitions are as follows:

**Class 1** - A National Historic Landmark (“NHL”), a building that is highly distinctive, unique or significant in American History, or a contributing building in an NHL Historic District. Often an archetypal example of an architectural style distinguished by unusually fine materials and details. The work of a famous architect or a building recognized in acknowledged architectural publications.

**Class 2** - A property on the National Register at the national, state or local significance level. A typical example of a recognized architectural style, having all the primary elements and details intact.

**Class 3** - A property considered eligible or potentially eligible for the NRHP based on historical documentation and/or informal consultation with the SHPO. Appears to meet the criteria, but has not been listed.

**Class 4** – A non-contributing element in an historic district.

**Class 5** – A property, not yet 50 years old, which has not been evaluated for NRHP eligibility.

**Class 6** - A property that has been determined to be ineligible for the NRHP through SHPO consultation.

**RHPO** - Regional Historic Preservation Officer

**Secretary's Standards** - The Secretary of the Interior's Standards for the Treatment of Historic Properties (NPS, 1992)

**SHPOs** - State Historic Preservation Officer for the State of Arizona, California, Hawaii, Nevada, Island of Guam, American Samoa, or the Commonwealth of the Northern Mariana Islands, depending on where the undertaking is located.

**Significance Zones** – Definitions as follows:

**Restoration Zone** – These areas exhibit unique or distinctive qualities, such as original materials or elements, representative examples of skilled craftsmanship, or work of a notable architect or builder. They may also be of significance due to association with persons or events of preeminent importance.

**Rehabilitation Zone** – These may be spaces or areas exhibiting distinguishing qualities, original materials and/or elements, but less ornate than restoration zones in overall treatment.

**Renovation Zone** – These are areas whose renovation and modification would not represent a loss of the overall historical character of the resource, or intrusion to an otherwise historically significant structure.

**THPO** - Tribal Historic Preservation Officer

**Undertaking** - Project or other action undertaken by GSA that has the potential to cause an effect to historic properties.

## Appendix VI

### Internal Procedures for Project Review

1. Leasing in existing buildings  
Realty Specialists follow a leasing file checklist that requires the "Historic Building Check" form [see attached]. Realty Specialists complete this form and submit it to the RHPO for review.
2. Leased construction ("build-to-suit" leasing)  
Realty Specialists complete the "Leased Construction Market Survey" form [see attached]. A copy of this form is submitted to the RHPO for review. Section 106 clauses are integrated into lease solicitations.
3. Federally Owned Buildings
  - All federally owned buildings will be identified as historic or non-historic. This will include determining whether there are eligible archaeological sites on the property.
  - For projects in historic buildings or with eligible archaeological sites, HSRs or MOAs, or both, have been or will be produced. These HSRs and MOAs, in addition to GSA Historic Preservation Technical Procedures (available on the national GSA Historic Preservation website), will be used by the RHPO to guide all historic building maintenance and improvement projects.
  - All GSA Property Managers will be educated by the RHPO and R9 historic preservation staff on the Section 106 process.

## HISTORIC BUILDING CHECK

Name: \_\_\_\_\_ Email: \_\_\_\_\_

This lease is in a building **under 50 years old**

1. Address: \_\_\_\_\_  
\_\_\_\_\_

2. Year built: \_\_\_\_\_

This lease is in a building **over 50 years old**

1. Address: \_\_\_\_\_  
\_\_\_\_\_

2. Year built: \_\_\_\_\_

3. Type of lease:  New  Renew  Succeeding  Extension  Other

4. Name of Agency: \_\_\_\_\_

5. Length of lease: \_\_\_\_\_

6. Square footage of leased space: \_\_\_\_\_

7. Square footage of building: \_\_\_\_\_

**Submit this form to Jane Lehman, R9 Regional Historic Preservation Officer (RHPO)**

jane.lehman@gsa.gov

or

Jane Lehman (9PCD)  
Mailbox 9, Room 3411  
50 United Nations Plaza  
San Francisco, CA 94102

<b>PREVIOUS USE OF LAND</b>		
<b>EXISTING STRUCTURES</b>		
<p>List any existing structures on lot, include roads, landscape features, etc. and their dates of construction. Describe anything that will be demolished as part of the project. Attach photographs of site and adjacent parcels.</p>		

**ENVIRONMENTAL**

Were hazardous substances ever contained on the property?

Yes  No

Asbestos  Yes  No

PCBs  Yes  No

Underground Storage Tanks (UST)  Yes  No

Other  Yes  No

Comments:

**ENDANGERED SPECIES**

Is there a presence or likely presence of any federally designated or state designated threatened or endangered species on the property?  Yes  No

Comments:

**WETLANDS**

Are there any known wetlands present on the property?  Yes  No

GSA should use the appropriate National Wetlands Inventory map to make this determination.

Comments:

**HISTORICAL**

Is the proposed site on any historical register, in a historic district, or adjacent to historic structures?  Yes  No

Property may still be historic even if it is not on any historic inventory.

Are there any known archeological sites present on the property?  Yes  No Information Source \_\_\_\_\_

Comments:

**FLOODPLAINS**

Is the property located in or adjacent to a floodplain?

Yes  No

100 Years \_\_\_\_\_ 500 \_\_\_\_\_

Review information to ensure compliance with state and local laws

Comments:

**COASTAL ZONE MANAGEMENT**

Will the leasing action affect coastal resources?  Yes  No

Comments:

**TRAFFIC IMPACTS**

a. Is the project likely to change traffic patterns or increase traffic volumes? \_\_\_\_\_

b. Have access constraints? \_\_\_\_\_

e. Affect a congested intersection? \_\_\_\_\_

f. Have access constraints? \_\_\_\_\_

g. Affect a congested intersection? \_\_\_\_\_

i. Other \_\_\_\_\_

Please refer to the NEPA Desk Guide for additional examples of traffic impact.
