Hi Carla,
The Western Missionary Museum Corporation for St. Paul's Episcopal Church in Virginia City, NV minimum amount requested is \$221,468.24. This is the total amount for the painting and window repair for the south and west sides of the building. This amount is broken out in the grant application under #1 plus \$5000 for the repair of the window sashes and glazing which is half of #3 in the grant application.
Thank you,
Tia Mittelstadt

Dear applicants,

Thank you for your attendance and patience through the grant review hearing. The Commission's award hearing will be rescheduled as soon as possible to complete the award process for the 2023-2024 grant cycle. The Commission received over \$6.6 million in requests with \$2,850,000 available and as indicated by the Handbook, page 15, item 3 attached, many projects do not receive the entire amount of funding requested. Instead, many are asked during the public hearing to prioritize phases of their projects and provide funding amounts for just those phases. The Commission is requesting that you provide those estimates that are broken out into phases with the minimum amount necessary to complete one of those critical phases. As requested by the Commission at the August 19, 2024 hearing, if your application did not indicate a minimum amount that your organization could accept that will be able to complete a portion or all of your project, please send me that number along with the scope of work that would be completed with those funds no later than COB, Thursday, August 22, 2024. Once we have all information as requested by the Commission, an agenda with a new meeting date will be sent including supplemental material in accordance with the open meeting law.
