RE: CCCHP 23-24 minimum amount necessary to complete one of the critical phases: \$80,000

Dear Ms. Cloud,

In regards to the request from the Commission on what the minimum amount that is necessary to complete one of the critical phases on CCCHP 23-24 from our grant application:

	Type of Material or Specific Activity	Match	CCCHP Grant	Total Amount	
1.	<i>AB Roofers</i>				
	<i>Roofing Labor</i>	<i>Install</i>	\$1,000	\$2,000	\$3,000
	<i>Roofing Materials</i>	<i>Shingles</i>	\$0	\$5,600	\$5,600
1.	Programming for design needs	Developing restoration plan	\$ 0.00	\$ 80,000.00	\$ 80,000.00
2.	Architectural and engineering	Architectural and engineering plans	\$ 0.00	\$ 290,000.00	\$ 290,000.00

At a bare minimum the Foundation would request \$80,000 to develop the restoration plans for the building. If possible, receiving any additional funds would allow us to start on having the architectural and engineering plans for this project drawn up. Please let me know if you need any additional information.

Sincerely,

Mark S. Bassett
 President
