Carla,

My apologies that this is late for the Church. I discovered it wasn't sent yesterday and found it in my drafts folder when I got to work this morning. We have had some trouble with the internet going out periodically but I don't know if that is what happened. I understand if you can't accept it.

The minimum award that we would like to request for the Old Church on Main is \$2,300.00. This is the total amount quoted for the hazardous materials testing. We are currently working on seeing if we can get a Brownfield grant for the actual abatement.

Thank you for all your support.

Ella
