RE: CCCHP -21-05 Fallon Theatre Renovation

Dear Commission Members,

Thank you so much for the grant funds in this current cycle. We would like to ask, if there happens to be any additional funds available within this grant cycle, would there be a possibility for an additional \$15,000.00 which would be used to cover increased costs since the initial bid of this phase of seismic retrofit plus roof replacement was received. Material costs to both contractors have caused this increase since the time they first bid the project.

I have attached a letter from the lead contractor, Bob Hammon of Hammon Construction, which explains the cost increase is due to increases in the metal and roofing materials. If this request is granted and the proper paperwork completed and with SHPO's OK we will have each contractor order all the necessary materials, hopefully before any other material increases.

If you have any questions or require any further information, please let us know. We would again like to thank the CCCHP Board for your consideration of this request & also all the hard work the board puts in to projects like ours throughout Nevada.

Sincerely,

Mike Berney

September 8, 2022

Fallon Community Theatre Inc
715 S Maine Street
Fallon NV 89406

Project: Lower Roof

We hereby propose to furnish the materials and perform the labor necessary for the completion of: install seismic braces as per plans, re-roof whole roof with ½" plywood and replace with 50 mil PVC membrane.

All material will be specified and above work will be completed in a substantial and workmanlike manner for the total sum of \$162,775.00 (ONE HUNDRED SIXTY-TWO THOUSAND SEVEN HUNDRED SEVENTY-FIVE AND ZERO DOLLARS).

Updated bid price is due to price increases in metal and roofing.

(DUE TO RISING COSTS, BID WILL BE GOOD FOR 10 DAYS)

RESPECTFULLY SUBMITTED,

Bob Hammon
