MEMORANDUM

TO: Nevada Certified Local Governments (CLGs)

FROM: Rebecca Lynn Palmer, State Historic Preservation Officer

SUBJECT: Application for Historic Preservation Fund (HPF) FY2023

The State Historic Preservation Office (SHPO) is pleased to announce the availability of HPF funds for SHPO priorities in Federal Fiscal Year 2023. At this time, it is estimated that approximately \$110,000 will be available for subgrants or projects that support CLG preservation activities.

The grant application and manual may be found on the SHPO's website: www.shpo.nv.gov/HPF23. All applications must be received by the SHPO at the address below and may either be delivered in person by close of business or be postmarked by **September 01, 2023**. There will be no exceptions. The SHPO review committee will only consider written material submitted by the deadline. No changes may be made to applications after the deadline. While the SHPO strives to assist all applicants, please do not assume that staff will be able to identify missing elements in an application prior to the due date. Thus, incomplete applications may score lower during review.

SHPO staff will likely complete a review of all applications submitted in September 2023. SHPO will then hold the required public meeting to gather public comment on the potential subgrants. Your attendance at this public meeting is not required nor will it affect your potential award amount. Upon the conclusion of the public meeting, the SHPO will finalize the subgrant awards.

If you have any questions regarding the application or allowable costs, please contact me at (775) 684-3443 or rlpalmer@shpo.nv.gov.
