MEMORANDUM

To: Nevada Certified Local Governments (CLGs)
From: Arthur Krupicz, State Historic Preservation Officer
Date: July 10, 2026
Subject: **Application for Historic Preservation Fund (HPF) FY2025 RD 2**

The State Historic Preservation Office (SHPO) is pleased to announce the availability of HPF25 Round 2 funds for SHPO priorities in Federal Fiscal Year 2025.

At this time, it is estimated that approximately \$72,460 will be available for subgrants or projects that support CLG preservation activities. A 40% local match is encouraged in either cash or time and donations are acceptable.

The grant application and manual may be found on the SHPO's website. ([Historic Preservation Fund Subgrant FY25](#)) All applications must be received by the SHPO by **Friday, September 4, 2026**. Applications may be delivered in person by close of business on the deadline or mailed to the address below and postmarked by September 4, 2026. There are no exceptions. The SHPO review committee will only consider written material submitted by the deadline. No changes may be made to applications after the deadline. As the SHPO strives to assist all applicants, please feel free to reach out if you have questions regarding the application before the deadline. Please note that incomplete applications may score lower during review.

SHPO staff will complete a review of all applications once received and will hold the required public meeting to gather public comment on the potential subgrants. Your attendance at this public meeting is not required nor will it affect your potential award amount. Upon the conclusion of the public meeting, the SHPO will finalize the subgrant awards.

If you have any questions regarding the application or allowable costs, please contact Grace Goedeker at (775)684-3430 or grace.goedeker@shpo.nv.gov.
