MEMORANDUM

To: Nevada Certified Local Governments (CLGs)
From: Arthur Krupicz, State Historic Preservation Officer
Date: January 20, 2026
Subject: **Application for Historic Preservation Fund (HPF) FY2025**

The State Historic Preservation Office (SHPO) is pleased to announce the availability of HPF25 funds for SHPO priorities in Federal Fiscal Year 2025.

At this time, it is estimated that approximately \$104,000 will be available for subgrants or projects that support CLG preservation activities. A 40% local match is required and either cash or time and donations are acceptable.

The grant application and manual may be found on the SHPO's website. ([Historic Preservation Fund Subgrant FY25](#)) All applications must be received by the SHPO by **Friday, March 13, 2026**. Applications may be delivered in person by close of business on the deadline or mailed to the address below and postmarked by March 13, 2026. There are no exceptions. The SHPO review committee will only consider written material submitted by the deadline. No changes may be made to applications after the deadline. While the SHPO strives to assist all applicants, please do not assume that staff will be able to identify missing elements in an application prior to the due date. Thus, incomplete applications may score lower during review.

SHPO staff will complete a review of all applications once received and will hold the required public meeting to gather public comment on the potential subgrants. Your attendance at this public meeting is not required nor will it affect your potential award amount. Upon the conclusion of the public meeting, the SHPO will finalize the subgrant awards.

If you have any questions regarding the application or allowable costs, please contact Carla Cloud at (775)684-3441 or ccloud@shpo.nv.gov.
