Request for Permission to Undertake Structural or Visual Alterations

The project description for SPWD in 25 CIP for 25-C21 Exterior Quad Lighting at Stewart Facility. The project will be installing LED area lighting, poles, and concrete pole bases in the quad area east of building 6 at the Stewart Facility in Carson City. Power will be getting pulled from Building 6. Additionally, power pull boxes will be installed around the site

The red circles show the approximate proposed location of the site lighting and the red line shows approx location of trenching for power.

The plans and specs for this project are attached showing the light pole and power pull box.
